

BECOMING A CANDIDATE IN DUVAL COUNTY

DUVAL COUNTY SUPERVISOR OF ELECTIONS

105 East Monroe Street

Jacksonville, FL 32202

Phone: 904-255-8683 * Fax: 904-255-3433

PRIOR TO MAKING THE DECISION TO RUN FOR OFFICE:

Running for political office is a big decision. Things to consider before you run include but are not limited to the following:

1. Research the office: what are the duties of the office, does it have requirements such as residency, how long does the term last, and how much time is involved when in the office.
2. Have you been a member of a political party for 365 days prior to the first day of qualifying for the office? Have you been registered with no party affiliation for 365 prior to the first day of qualifying? Qualifying week begins at noon of the 71st day prior to the primary or first election but not later than noon of the 67th day prior to the date of the primary or first election. Qualifying for federal and judicial seats begins at noon on the 120th day prior to the primary election, but not later than noon of the 116th day prior to the date of the primary election.
3. Talk to your family to decide if running for office is right for you.
4. Do you have the time for running the campaign, attending candidate functions, attending meetings, talking to voters?
5. Are you involved in your community? Do you belong to civic and/or political organizations?
6. Do you have volunteers you can rely on? How much time would they be available to volunteer and when would they be available?
7. Research candidates from previous elections to see how much money they collected and how they spent their funds. Go to the Duval County Supervisor of Elections website: Candidate/Committee Lists, Reports & Profiles (duvalelections.gov)
8. What bank or credit union will you use to deposit campaign funds? The depository must be named on the form when filing for office. Find a depository that will open a campaign account for you and has minimal fees. Do not open the account until you have filed the DS-DE 9 with our office. The campaign account must be a separate account. A few depositories to consider are: VyStar Credit Union, Regions Bank, Fifth Third Bank and SunTrust/Truist
9. Banks are starting to require candidates to obtain an Employer Identification Number (EIN) prior to opening their campaign account. To obtain an EIN, you can apply online at: How to Apply for an EIN | Internal Revenue Service (irs.gov). You can identify yourself as a "Political Organization", as you will primarily operate for the purpose of accepting contributions and influencing the election of yourself. An EIN is not required by campaign finance law.
10. All candidates are required to disclose personal financial information. Special District and municipal candidates are required to file a Form 1. All other candidates file a Form 6. The forms can be found on the Florida Commission on Ethics website.

REMEMBER, CONTRIBUTIONS CANNOT BE ACCEPTED, MONEY CANNOT BE SPENT AND PETITIONS CANNOT BE COLLECTED UNTIL YOU HAVE FILED FORM DS-DE 9 WITH THE FILING OFFICER.

Becoming a Candidate

A candidate is a person who:

- Seeks to qualify for nomination or election by means of the petition process;
- Seeks to qualify for election as a write-in candidate;
- Receives contributions or makes expenditures, or consents for any other person to receive contributions or make expenditures, with a view to bring about their nomination or election to, or retention in, public office;
- Appoints a treasurer and designates a primary depository;
- Files qualification papers and subscribes to a candidate's oath as required by law.

This definition does not include an individual seeking a publicly elected position for a political party executive committee. (Sections 97.021(6) and 106.011(3), Fla. Stat.)

Filing for Office

- A candidate may file at any time
- You **MUST** file an Appointment of Campaign Treasurer and Designation of Campaign Depository (Form DS-DE 9) with the Supervisor of Elections Office before any contributions are accepted, before opening a campaign account, and before expenditures are made (106.021, Florida Statutes).
- You **MUST** file a Statement of Candidate (DS-DE 84) within ten (10) days of filing the Appointment of Campaign Treasurer and Designation of Campaign Depository (106.023, Florida Statutes).
- Candidates for County Judge **MUST** file a Statement of Candidate for Judicial Office (Form DS-DE 83) within ten (10) days of filing the Appointment of Campaign Treasurer and Designation of Campaign Depository.

Once a candidate has filed the DS-DE 9, he or she may open a campaign account, collect contributions, and spend money for their campaign. They may also collect petition signatures on a petition. These petitions are submitted to the filing officer for signature verification. Having the required number of petitions waives the qualifying fee.

Candidates may file in our office or submit their forms by mail. Candidates may now file their paperwork electronically. Original signatures are not required. Please submit your filing papers by email as a pdf or you may fax the forms to our office. The form will be considered filed only when the filing officer receives the form (not upon mailing) **and** determines that the form is **complete**.

Once the complete DS-DE 9 is filed with our office, a candidate may receive a binder containing the candidate and treasurer handbook, report schedule, handbook for filing reports, and other information.

Once a candidate files to run for an office, they must submit campaign reports electronically. If there is no activity, a waiver of report must be submitted.

Appointing a Treasurer

A candidate may appoint himself or herself as campaign treasurer. A candidate may also appoint another person as treasurer and appoint themselves as deputy treasurer. A candidate may have one treasurer and up to three (3) deputy treasurers.

The treasurer must keep detailed accounts of all contributions received and all expenditures made by or on behalf of the candidate. Such accounts must be kept current within not more than two days after the date a contribution is received, or an expenditure is made.

When a campaign treasurer resigns or is removed by the candidate, a copy of the signed letter of resignation or removal must be filed with the filing officer. The written notice is not effective until a signed copy is filed with the filing officer. The letter may be faxed or emailed to the filing officer.

Filing and Qualifying as a Partisan Candidate

- All candidates qualifying for a partisan office will be required to affirm in writing, under oath, that they have been a registered member of the party whose nomination as a candidate they are seeking for 365 days before qualifying begins.
- Candidates who wish to run for a partisan office with No Party Affiliation (NPA) will be required to affirm in writing, under oath that they have not been a registered member of any political party for 365 days before qualifying begins.
- These requirements do not apply to non-partisan offices such as judicial seats, school board seats and special districts.

Filing Qualifying Papers

Qualifying is the final step that allows a candidate to have his or her name on the ballot. Qualifying must be finalized during the assigned dates. Qualifying for office in Duval County begins at noon of the 71st day prior to the primary or first election but not later than noon of the 67th day prior to the date of the primary or first election. Qualifying for federal and judicial seats begins at noon on the 120th day prior to the primary election, but not later than noon of the 116th day prior to the date of the primary election.

Changing Designation of Office

Yes, permitted under 106.021(1)(a), Florida Statutes, you may change your mind and run for a different office after becoming a candidate, providing that you:

- File a new Appointment of Campaign Treasurer and Designation of Campaign Depository, (DS-DE 9), designating the new office.
- Submit a signed, written statement indicating the change with the filing officer.
- File the new appointment prior to the end of qualifying
- This includes changing seats, districts, or groups
- Within 15 days of filing the new DS-DE 9, notify in writing all contributors and offer to return their contributions pro rata. The candidate must include (with the notice) a copy of Form DS-DE 86, Request for Return of Contribution
- If the contributor returns DS-DE 86 within 30 days of receiving the notice, the candidate must return a pro rata share of all contributions given in support of the original office.
- The DS-DE 9 and the signed, written statement may be faxed or email to the filing officer.

PARTISAN CANDIDATES

Any person seeking to qualify for nomination as a candidate of any political party shall, at the time of subscribing to the oath or affirmation, state in writing that they have not been a registered member of any other political party for 365 days before the beginning of qualifying preceding the general election for which the person seeks to qualify. Any person seeking to qualify for office as a candidate with no party affiliation shall, at the time of subscribing to the oath or affirmation, state in writing that he or she is registered without any party affiliation and that he or she has not been a registered member of any political party for 365 days before the beginning of qualifying preceding the general election for which the person seeks to qualify. Section 99.021, Florida Statutes.

A Clerk of the Court is elected during the presidential election year to a term of four years. Republican candidates are placed on the Republican ballot and Democratic candidates are placed on the Democratic ballot. The winners of the primaries are placed on the General election ballot along with anyone running with no party affiliation and write-ins.

JUDICIAL CANDIDATES

County judges are elected for six-year terms. Judicial candidates appear on the primary ballot. A candidate must win 50% plus 1 vote of the votes cast to be elected. If no one is elected in the primary, the candidates receiving the highest number of votes shall be placed on the general election ballot. All registered voters in Duval may vote for this office – without regard to political party affiliation.

SCHOOL BOARD CANDIDATES

School board members are elected for four-year terms. Candidates appear on the primary ballot without party affiliation and campaign without party affiliation. A candidate must win 50% plus 1 vote of the votes cast to be elected. If no one is elected in the primary, the candidates receiving the highest number of votes shall be placed on the general election ballot. Our county is divided into seven school board districts which is comprised of two city council districts. The school board districts do not correspond to school districts.

SPECIAL DISTRICT CANDIDATES

Special District candidates who DO NOT wish to collect contributions or make expenditures need only to complete an Affidavit of Intention to become a candidate.

Special district candidates may also file DS-DE 9, Appointment of Campaign Treasurer and Designation of Campaign Depository, if they intend to accept contributions or make expenditures for anything other than the qualifying fees or petition signature verification fees (Section 99.061, F.S.). A special district candidate can file the DS-DE 9 form at any time if they want to begin accepting contributions and making expenditures, even after the qualifying period ends.

Soil & Water Conservation District candidates are required to file a notarized affirmation statement in addition to other required forms.

WRITE-IN CANDIDATES

A write-in candidate must file the DS-DE 9 before accepting contributions and spending money on their campaign. A person seeking to qualify for election to office as a write-in candidate must file the appropriate candidate oath and financial form during the official qualifying period. Write-in candidates must comply with the residency requirements of the office sought. Any person who is seeking election as a write-in candidate shall not be required to pay a filing fee, election

assessment, or party assessment. A write-in candidate is not entitled to have his or her name printed on any ballot; however, space for the write-in candidate's name to be written in must be provided on the general election ballot. In Unitary Elections, a line for a write-in candidate's name is placed on the First Election ballot. A person may not qualify as a write-in candidate if the person has also otherwise qualified for nomination or election to such office.

ADDITIONAL INFORMATION

After filing the DS-DE 9 form, candidates will begin filing campaign finance reports of contributions and expenditures and will be subject to all provisions of Chapter 106 of the Florida Statutes. A reporting schedule is given to the candidate and reports must be filed before the deadlines or fines may be incurred. The Supervisor of Elections provides an online reporting system that helps with the reporting process.

Candidates and their campaigns must meet specific legal requirements regarding campaign advertising, campaign financing and sign laws. A candidate handbook will be given to the candidate once they have filed their DS-DE 9 Appointment of Campaign Treasurer and Designation of Campaign Depository.
